Top Tips about Free Tax Preparation

1. The IRS sponsors both the VITA and TCE programs. They work with local community groups to both train and certify volunteers.
2. The VITA program generally offers free tax return preparation and e-filing to people who earn \$52,000 or less.
3. The TCE program offers help mainly to people age 60 or older. Volunteers specialize in tax issues unique to seniors.
4. VITA and TCE provide free electronic filing. An e-filed tax return is the safest and most accurate way to file. Using e-file combined with direct deposit is the fastest way to get your refund.
5. Some sites provide bilingual help for people who speak limited English.
6. VITA provides free tax assistance to military members and their families. Volunteers help with tax issues related to the military. These include special rules and tax benefits for those serving in Combat zones.
7. Visit IRS.gov to find the nearest VITA site. Site information is also available by calling the IRS at 800-906-9887.
