

Girls in Science presents: the Science of Sustainability

Wednesdays 2pm -4pm
Cost: FREE

Dr. Tara O'Neil of UH-Manoa will lead this class for girls in grades 4 through 8. This year's theme is *Mālama Honua* and the World Wide Voyage (WWV) of Hōkūleʻa and Hikianalia. We will draw on indigenous knowledge and values to develop STEM (Science, Technology, Engineering and Math) skills. Participants will design and test their own STEM projects.
